SUBJECT: Timothy LEARY (RM & NL)

A sensitive source has reported that Subject and the Black Panthers in Algiers have had a falling out, possibly because the Panthers learned that Subject had sent a message to the Weathermen to step up the violence in the United States. Subject and his wife, who are currently living in a large apartment at 7 Rue Lafayette, are "under surveillance" by the Panthers. The apartment they occupy is one provided to the Panthers by the Algerian Government.
